

CARM Centre Information

The CARM Centre is the premier Australian facility for storing *low use* and *last copy* research material.

Borrowing Material at CARM

Items cannot be directly borrowed from the CARM Centre.

Requests to use items must be made through your library. Whenever possible material is delivered digitally.

For non-member libraries CARM print material is **only** available for **use in your library**.

Requesting Material at CARM

Requests to view material at the CARM Centre must be made at least **24 hours** prior to visiting. This will ensure items are available and ready upon arrival. A Reading Room is available.

Copying and Digitising Facilities

Copying facilities are provided by CAVAL staff. Charges will apply.
